

PRESENTS

The class will begin Saturday June 12th at 1:00 pm. Sessions will be on the second and fourth Saturdays. This course will reveal biblical truths about “Love and Respect,” while displacing the confusion about how love, respect and submission operate in a Christian relationship. The material in this series will help you obtain a biblical understanding of how; “Husbands love their wives and wives respect their husbands” Each person will gain fresh insights and communication skills by examining these three major questions about covenant relationships (Eph. 5:33).

A multimedia approach in each session will include video, study guide and group discussions. Pastors Bob and Kris Hill of Renewed Hope Ministries will facilitate the sessions. Who should attend; married couples, those courting and singles over age 18. Study guide cost is: \$10.00 per person. Contact the RHM office for details 360-258-8703 renewedhope@pacifier.com. www.loveandrespect.com/content/clips_of_conference.php
