GOD WANTS TO SPEAK

“Let us then approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.” Heb.4:16

It’s an honor to speak to God. We don’t have to go through a priest or a saint or any other intermediary. We don’t have to follow prescribed rituals or wait for an appointment. Anywhere, anytime, under any circumstances, we can talk, and he will listen.

MORE PRAYER IS BETTER THAN LESS PRAYER, DISCARD GUILT>>>PRAY!

It’s ironic, though, that most of the time we think of prayer as talking to God, rarely stopping to wonder whether God might want to talk to us. Relationships are built with two way interactions. I am amazed when I hear that still quiet voice say to me why are you doing all the talking? Let me get a word in somewhere!

IF YOU NEED A WORD, READ THE WORD AND THE RHEMA WILL COME!

One important way God speaks to us is through His Word. As we read it and meditate on it, He applies it to our lives. I am always blessed when someone tells me about a familiar verse that just jumped off the page just when they need it. The verse has not changed from the last time they read it, but this time the Holy Spirit infused it with a Rhema Understanding!

“WORSHIP GOD! FOR THE TESTIMONY OF JESUS IS THE SPIRIT OF PROPHECY.”ⁱ

APPLICATION: *A Rhema Word from the Holy Spirit will never violate the contextual meaning of the Logos Word. Read Scripture passages slowly and in context. Never act on a revelation if it violates stretches or embellishes the biblical context of scripture. Wisdom is knowledge rightly applied! Ask God to speak His Logos to your mind and ignite it in your spirit with a Rhema Understanding (a now word).*
