Rosh Hashanah 2012 Do Not Give Up

“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.” Galatians 6:9

This verse has been my personal ministry motto for over three decades. One of the biggest hindrances to doing “good” is the discouragement that often sets in when we see little positive impact from our efforts or see the world getting darker and sadder despite our hard work. We ask....What’s the use? Why should I keep on doing what I do? Seems no cares, why should I keep doing this? What impact is it making?

The Temptation Is To Move From Discouragement To Cynicism To Self-Absorption.

People who use to overflow with love and be active in good works begin withdrawing into the small world of self-protection and isolation because of the heartaches and disappointments they have experienced. They begin to believe withdrawal is justified; they think they are doing themselves a favor. But as their external worlds get smaller, their inner world shrivels in direct proportion to the withdrawal. In turning their backs on the needs around them, they have turned their backs on the needs of their own soul.

But If We Persevere In Doing Good, God Promises Rewards And A Harvest Beyond What We Could Possibly Imagine.

APPLICATION: Do you feel like giving up? Do you see yourself becoming cynical? Ask God to empower you not to give up. Do not become weary with your gifting and position in life, for they are truly a good gift from God and at the proper time you will reap the harvest of faithfulness that comes from the very Hand of God....*if you do not give up!* Remember...except for the grace of God their go we!
